OUR ETHOS

King's House School is a happy and vibrant school made up of bright and inquisitive children, each with their own interests, abilities and personalities. The school offers each one exceptional opportunity to learn and achieve. We encourage individuality, initiative, creativity, independence and enquiry, together with a love of learning which we hope will last a lifetime. We want our pupils to become well rounded and confident individuals and we seek to achieve this by finding a proper balance between academic excellence, challenge and fun. The school will build a reputation for having a very friendly, family atmosphere, where children can enjoy their childhood, develop a love of learning and become confident, creative and independent young people. The development of each individual child's talents and interests lie at the heart of the education we provide and we are keen to ensure that this becomes a strong feature of the school.

AIMS OF THE SCHOOL

The School has developed the following aims to help our pupils to become well motivated, enthusiastic pupils with a positive attitude towards learning.

EYFS Aims: (S,M,I,L,E)

- **S**timulating, Safe & Secure environment for ALL children in our school.
- **M**ulti-cultural ethos of the school which celebrates all denominations and faiths in which all individual beliefs are respected.
- **I**mplement Independence in all areas of the EYFS curriculum by engaging, motivating and enabling children to think critically to become an effective and motivated learner.
- **L**ife long, happy and contented learners who progress and achieve to their full potential.
- **E**nthusiastic, dedicated and knowledgeable staff who work with Parents as Partners to provide planning for individual children's needs.

School Aims: (S,P,A,R,K,L,E)

- **S**ame as our Early Years, as we continue to build and grow.
- **P**hysical, intellectual, aesthetic, moral and spiritual education in a broad and balanced curriculum.
- **A**dopt different learning techniques and skills in order to be stimulated, challenged, enthused and positively guided by well qualified staff.
- **R**espect for others and encourage responsible behaviour and attitudes within a caring community, setting examples to our Early Years pupils and visitors to the school.
- **K**ing's House School promotes good relationships and communication amongst pupils, staff and parents which is an integral part in the successful provision of a good education.
- **L**eadership, management and the board of trustees provide an effective oversight in ALL sections of the school in line with these aims, educational standards, financial planning, investment in staff, accommodation and resources. They provide support, challenge and stimulus for growth and improvement.
- **E**ncourage individuality, initiative, creativity, independence and critical thinking in all areas of pupils' development.

SCHOOL HISTORY

In the early 1890s the Secretary of the Luton Chamber of Commerce, accountant Thomas Keens, wrote and published a booklet entitled 'Luton as an Industrial Centre' which outlined the economic incentives for new firms should they move to Luton.

As a result, many firms and individuals relocated to Luton, then only a small market town, during the following decades, drawn to the town by the new business and employment opportunities. The booklet was re-launched in 1900 by the Borough Council and larger industries such as Vauxhall also made the move to Luton. Due to the town's rapid growth, there were initially, in some instances, a lack of amenities. The lack of schools throughout the town concerned the affluent and expanding Luton business class. At this time, many children from such families were usually taught by a governess until they entered school at 8 or 11 years of age.

Thomas Keens, straw-plait merchant David Southam and chemist Richard Charker therefore decided to help found a private school in King Street, Luton to respond to demands of the business community. King's House School therefore opened in September 1891 at 35 King Street in the town centre and at the heart of the town's business district.

Thomas Keens later became a Luton Borough Councillor, Chairman of Bedfordshire County Council and a Member of Parliament. He was knighted as Sir Thomas Keens in 1934 and continued to be associated with the school until his death in 1953. His son, Robert Keens, later director and Chairman of Luton Town Football Club, continued the family association with the school and the family association remains to this day.

RESULTS & DESTINATIONS

When the 11+ independent school entrance results were published in Spring, we were all highly delighted that for the third successive year, every single one of our pupils in the Upper Fourth Form (Year 6), who sat the exams, has received at least one place offer. In fact, the vast majority of pupils have received two, in some cases three place offers.

We would therefore like to congratulate all our pupils, their parents and the teaching staff

who have supported them over the years, on such an outstanding achievement.

Place offers were made by the following selective schools:

Abbotts Hill School	1
Aylesbury Grammar School	1
Bedford School	1
Bedford Girls' School	2
Bedford Modern School	2
Kingshott School	1
Moorlands School	14
St Albans School	1
St Albans High School for Girls	2
St Columba's College	1

SCHOOL REPORTS & PARENTS EVENINGS

A written report is issued at the end of each school term. Earlier, in each term, a Parents' Consultation Meeting is held for each year group so that all parents can make appointments to meet with their respective class teachers.

Each half-term, parents will receive a Report Card, which is in essence a grade card, setting out grades for achievement and effort in each curricular subject.

Assessment takes place at many levels. For example, teachers are assessing pupils' progress on a daily basis through class work set and setting regular tests and assessments based upon class work. Furthermore, the school participates in national, externally marked tests in May of each year, which are set by a national assessment agency GL Assessment. Pupils' standardised results are reported back to parents on publication.

Pupils in the Upper Fourth Form (Year 6), take part in the nationally set SATS assessments in English, Mathematics and Science in the May of their final term.

Now you can buy all uniform requirements from your own school shop run by King's House School:

School shop address

King's House School, 33 High Street, Leagrave, Luton, LU4 9JY
Tel: 01582 491430 or 07715 335662

All items of clothing and sportswear should be **named**, preferably with woven nametapes. Pupils will require a burgundy crested school bag (obtainable from the School Office). The book bag is sufficient for pupils in Reception upwards.

It is our school policy that all children wear school uniform when attending school, or when participating in a school-organised event outside normal school hours (unless previously arranged with the Principal).

Dress and appearance

All pupils are expected to arrive at school and depart from school in school uniform unless permission has been granted not to. Great emphasis is placed upon tidiness and neatness of children as part of their development: for example, all children should arrive at school with clean shoes, clean shirts and shirts tucked into their skirt/trousers. Missing buttons on blazers/cardigans should be sewn back on. Children should be aware that their hat and cap are compulsory items of uniform and should always be worn with their school blazer.

Aims and objectives regarding our school uniform

Our policy on school uniform is based on the notion that school uniform:

- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind;
- promotes a sense of pride in school.

Jewellery

On health and safety grounds we do not allow children to wear jewellery in school. The exceptions to this rule are small objects of religious significance, or for girls, a small pair of stud ear-rings. For ear-rings, they must be removed for all PE activities by the child. No member of staff will be permitted to do this for them. For the items of religious significance, they may be removed or covered with a plaster or sweatband. If this is not possible, the child will be excluded from the PE lesson. We recommend that if you choose to get your child's ears pierced, this be done at the start of the long summer break. In general, jewellers' guidelines specify a 6 week period for no removal of ear-rings.

Extreme haircuts

The school does not permit children to have 'extreme' haircuts that could serve as a distraction to other children.

Footwear

The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes that have platform soles or high heels, so we do not allow children to wear such shoes in our school. Heels must be no higher than 3cms. Neither do we allow children to wear trainers to school; this is because we think that this footwear is appropriate for sport or for leisurewear, but is not in keeping with the smart appearance of a school uniform. We require all children to wear shoes as stated in the uniform list.

Outdoor Wear

Coats must be brought to school during the Autumn and Spring terms as children will be outside, if only for a short "fresh air" break, in adverse weather. They will also be required to be worn by pupils when they attend events off-site including sports fixtures, educational visits and swimming lessons. Discretion should be exercised by parents during the summer term as regards to their child bringing a coat to school. We would suggest that if the weather is forecast to be inclement, that a coat is brought to school on such days to be worn at break times and off-site activities.

PASTORAL CARE AND COMMUNICATION WITH PARENTS

At King's House School we understand and appreciate that children grow and develop into confident young people when home and school work successfully in partnership. We encourage a healthy and helpful dialogue on both sides and hope that through this, parents feel fully involved in their daughter or son's education. We share information with parents that should help you to feel knowledgeable about aspects of the teaching, learning, curriculum enrichment and pastoral care, as well as information that relates specifically to your child. Each child's well-being is paramount to their happiness. Please let us know if you think anything is concerning your daughter or son, however trivial it may seem and whether the source is at school or at home. We will then be able to work with you to give the right kind of support and encouragement. It is important to let us know of any changes, large or small, in family circumstances, for instance: illness or bereavement; separation, divorce or remarriage; births or moving house. Do also let us know about things which might not seem worth mentioning, but which might still be unsettling – a pet's illness, your change of job, etc. If you or your child are worried, please talk to us as early as possible. All staff at the school are very experienced in helping young children and will, of course, discuss fully with you the best course of action to take. We may wish to encourage your child to deal with the situation independently or with quiet support from the Form Teacher or someone else.

We pride ourselves on responding to parental communication quickly. Parents can telephone the school office at any time to leave a message, as teaching staff are often unable to take calls during the school day, as they are busy with the children. Staff will return your calls at the earliest possible opportunity. We regard the privacy of the children and their parents as extremely important. All information you give us is treated sensitively and we will discuss with you how widely to circulate it. We never release the addresses and telephone numbers of parents or staff without prior permission.

Communication

The school works hard to ensure that parents are well informed about school life.

Calendar - A calendar of termly events is published at the beginning of each term.

As far as possible we aim to send all letters and newsletters home with your child each Friday, although there may be occasions when letters need to be sent on other days of the week. Parents are asked to check their child's book carrier or rucksack regularly as some letters do have a tendency to get lost at the bottom. For parents who have more than one child at the school, we aim to minimise post by sending whole school letters and newsletters with the oldest sibling. We use emails, text alerts and hard copy letters and newsletters to notify you of upcoming events as well as report on pupil and school successes and important events in the life of the school. Where letters require a reply slip to be returned to school it helps staff enormously if parents are able to respond as quickly as possible.

Keeping in touch and informed

Should you wish to discuss any matters with your child's teacher they are briefly available

before 8:30 and then after 4:00 pm on most days. Please contact the School Office for a mutually convenient appointment, if you wish to discuss matters in depth. You may also write a note in your child's reading record. In order to keep you in touch with school news generally, regular letters and newsletters are sent out regularly. A range of publications are issued to provide a round-up of information including past and forthcoming events. Our website is also updated regularly to provide information.

One to One Scheme

While small classes are of great social and educational benefit to pupils, they are also of considerable advantage and benefit to parents, particularly those who wish to play a close and supportive role in their child's education.

In large schools, the relationship between parents, the Head and their staff can be distant and not always immediately responsive. In contrast, we have always believed that parents are partners in the work of the school and are keen to foster and maintain a close working relationship with parents collectively and individually too.

In recognition of this, King's House Preparatory School has devised the 'One to One' scheme, an exclusive and personal service that is tailored to your specific needs. The One to One scheme aims to ensure that you receive a personal bespoke service, not just between 8.45am and 3.45pm each school day but 24/7, 52 weeks of the year (public holidays excluded).

While class teachers will always be the most effective first point of contact for parents there will, from time to time, be broader issues or matters, particularly out of school hours or in the holiday.

The One to One scheme aims to ensure that you receive an effective and personal service that will endeavour to answer your urgent questions or enquiries.

You can contact the One-to-One team, irrespective of whether the school is in session, by emailing one2one@kingshouseschool.co.uk

THE SCHOOL DAY

WRAP AROUND CARE

The school provides wrap around care provision. The times of this service are as follows:-

7:45 to 8:30 am

4:00 to 6:00 pm

ARRIVAL

The school day commences at 8.30 am. Children should arrive at school **no later than 8.45 am** and **no earlier than 7.45 am**. Children arriving between **7.45 am** and **8.30 am** must proceed to the Morning Club and should go directly to the school hall where they will be supervised until 8.30 am. Teachers will then register children between 8.45 am and 8.50 am before the first lesson of the day.

ARRIVAL LOCATIONS

Reception, Lower and Upper Second – School Hall Doors

Lower and Upper Third, Lower and Upper Fourth – Lower playground gate

COLLECTION ARRANGEMENTS

Children who are not collected by 4.00pm will be taken to the After School Club.

3.30pm	Reception	Hall Doors
	Lower Second	Lower Playground
3.40pm	Upper Second	Upper Playground <i>(Parents access pick up via Lower Playground Gate)</i>
	Lower Third	Lower Playground
	Upper Third	Hall Doors
3.50pm	Lower Fourth	Hall Doors
	Upper Fourth	Lower Playground

If there is to be any change in the arrangements for collecting your child, please notify the School Office in writing or by telephone (including arrangements for children who travel by taxi). It is important that you adhere strictly to this arrangement as staff will not release a child to a third party unless they have previously received instructions to do so.

PARKING

Parents should park in the car park at the end of Ely Way and access school via the pathway and gate at the rear of the premises. This entrance has both a ramp and steps that are in compliance with disability legislation. We lock the Ely Way car park at 6.00 pm each day. Parking is not allowed on the High Street, Ely Way, Oakley Road or Chatteris Close. Parents of young children are requested to hold their child's hand when accompanying them up or down the drive.

In line with our long standing policy on parking, any parents in special circumstances, i.e. disabled, pregnant, etc, will be able to apply for special dispensation to allow them to park at the limited-space dropping off zone outside the front of the school (controlled by an electronic traffic barrier). If you believe you may qualify for such dispensation, please contact the Principal or the School Office.

Parents are reminded that it is a contractual obligation on their part to abide by the school's parking policy and the directives issued from time to time regarding parking by the Principal.

CONTACT FORM

This form is a very important document and must be completed and submitted as soon as possible once issued. A contact form can be obtained from the School Office. **It should then be filled in and returned as soon as possible.** The form asks for contact telephone numbers (so that we know how best to contact you during school hours should the need arise). It also records other additional information with regard to diet and medical conditions etc. It may be necessary for the school to request clarification of food allergies from a child's doctor. Please update this form during the year, should there be any changes, using a change of details form available from the office.

PUPIL ABSENCE

All absences should be reported immediately to the school office on the first and every consecutive day of absence by emailing absence@kingshouseschool.co.uk or by phoning 01582 491430 and selecting the absence option to leave a message. Where a call or email is not received, we will contact you on each day of the child's absence. All pupils should return to school with a brief letter regarding their absence, giving details of the reason and the dates involved.

Parents should seek to avoid taking their child out of school during term time and ensure they attend school regularly and punctually. Requests for children to be absent from school should be made directly to the head teacher by completing a Request for Absence Form available from the school office. Requests for absence during term time are not encouraged as they are disruptive to both your child and the activities within the school. Legally, a maximum of ten day's absence can be granted within any one school year. Wherever possible, requests for absence should be made at least 5 working days prior to the first day of absence.

ILLNESS

Children who are unwell should be kept away from school until fully recovered. Please advise the school office of any ailment or condition on the child's return to school. If a child is prescribed antibiotics they must either have a letter from the doctor confirming that they are not infectious/contagious or be kept away from school for forty-eight hours from commencement. Children with diarrhoea or vomiting must be kept away from school and only return after being symptom free for forty-eight hours (as per Health Protection Agency guidelines). These measures are to help reduce the spread of infection to both children and staff. If a child is taken ill during the school day, the school will contact the Parent to make arrangements for the child to be collected from school.

ADMINISTRATION OF MEDICINE

Prescribed medication will be administered at school. Parents are requested to fill in an authorisation form which will apply to the whole course of the medicine (available from the School Office). Medicines should be brought to school in the original container clearly marked with the child's name, class and administration instructions. Please ensure the dosage measuring spoon is included in the package to allow us to administer the medicine accurately. Pre-measured sachets of paracetamol will be kept in school and we will contact you for permission to administer this medicine if required. The school reserves the right to use its own discretion in requesting that a child be collected from school if more than one dose of paracetamol, or equivalent analgesic, should be necessary in one school day.

SCHOOL MEALS

Lunches

The school catering team provides a well-balanced and nutritious meal every day. Packed lunches are not a practical option in a school like ours and school dinners are therefore partaken by all pupils. Payment for dinners should be made in advance via the main school office. If your child requires a specific diet (i.e. no beef/pork/dairy products etc.) please put this request in writing, in addition to reference on the contact form. We do our utmost to be responsive in this area. If a dietary requirement is required for a medical reason confirmation may be asked for from the child's doctor.

The school has its own catering team, which provides a well-balanced and nutritious meal every day of the school term.

In order to encourage healthy eating and also to avoid loss of lunchtime appetite, we would ask for parents' co-operation in providing the following snacks only:

Morning break – one item of fruit or a plain biscuit

Afternoon break (Reception only) – a plain biscuit or fruit

For reasons of healthy eating (and indeed litter) we do not permit crisps and chocolate, and ask for parents' support on this issue.

For health & safety reasons please do not use plastic bags for snacks. A small **named** Tupperware style container is preferred for snack items. Should these be found unnamed, they are difficult to return to the owner and may therefore be disposed of for hygiene reasons.

ASSISTED PLACES TRUST FUND

The King's House Assisted Places Trust Fund provides awards to children age 4+ from the Luton and South Bedfordshire local government areas, to give them access to independent education irrespective of means, race, religion and social background. We are very much indebted to local businesses and indeed to our own former pupils who have generously made donations to the Trust Fund. The Assisted Places Fund seeks to identify talent not only through the assessment of current achievement but, as far as possible, the prediction of potential for the future.

EXTRA CURRICULAR ACTIVITIES

By the age of 7, the average child in the UK will have spent one whole year of their lives in front of a computer or TV screen. This can neither be healthy nor beneficial to becoming a rounded and well-balanced individual capable of achieving socially and academically in the future. This is one of the reasons why we place so much emphasis on sports and extra-curricular pursuits. We have, over the years, pioneered and established a series of clubs and societies encouraging extra-curricular variety and participation. An early King's House prospectus from the 1920s reveals, for example, that the school had a Debating Society, a Dramatic Society, a Historical Society and a Photographic Society as well as its own Wolf Cub pack and Brownie Troop.

Today, more than ever before, we see these opportunities and virtues as a priority. To this end we have already established partnerships with the Football Association, the MCC, the Rugby Football Union, the Lawn Tennis Association. Among the extra-curricular activities typically offered in any given year are:

Drama, Sewing, Football, Debating, Dance, Keep Fit

INDIVIDUAL MUSIC TUITION

Individual musical instrument tuition is available to all pupils. The school endeavours to respond to demand from parents in terms of the particular instruments offered. Currently these include guitar, piano, violin and cello.

THE 'FORMULA FOR SUCCESS' PROGRAMME

King's House School is a 'preparatory' school in the truest sense of the word, providing children with the key skills and knowledge they need to be prepared for the future, a future that more than ever before, will be a highly competitive and challenging one.

Almost nine in 10 (87%) UK adults feel that school did not provide them skills they needed for life after education, according to opinion polling research published in September 2019. More than a third (42%) of those surveyed felt that they would have benefited from being taught a range of concepts such as finance and budgetary skills, effective communication and social skills.

Talent by itself is only part of the reason why children achieve success. Research suggests that the three vital ingredients are talent, skill and effort. Success can, of course, be measured in a number of different ways; however, most highly successful people, whatever their goals in life, have common traits which helped them get to the top in their chosen

field. While many assume that these skills are innate, many of them can actually be learned and therefore taught. By going above and beyond the academic curriculum, we aim to teach children the vital ingredients and characteristics necessary to achieve success.

The concepts currently covered by the 'Formula for Success' Programme are:

Life Skills

Debating & Public Speaking Skills

Financial Management Skills

Leadership Skills

Etiquette & Social Skills

THE SCHOOL LIBRARY

A new school library was built and opened in 2017 and has an excellent reference and non-fiction section and a broad collection of fiction.

The opening of the new library has been the culmination of over a year's work which has resulted in the most comprehensive and wide-reaching library facility that the school has ever had at its disposal.

A new library data system, linking the school's Integris database with the 'Reading Cloud' system, deals with day to day library administration. It provides monthly reports about the school library usage, manages overdue book stock and generates reminders.

As part of our on-going plan to further develop the library, we plan to progress towards introducing the Reading Cloud's eBook system that gives access to a digital collection of over one thousand premium eBook titles.

THE HOUSE SYSTEM

The school is divided into four Houses and each child is allocated to one House. If children have siblings, they will be placed in the same House as their older brothers or sisters. There are 4 Houses:

Churchill House

Filmer House

Keens House

Windsor House

The four Houses are named after the following individuals:

Sir Winston Churchill (1874-1965)

The son of Lord Randolph Churchill and the American heiress Jennifer Jerome, Winston Churchill was both a Liberal and Conservative cabinet minister during a political career that spanned 65 years. He served as Prime Minister from 1940 to 1945 and from 1951

to 1955. Educated at Harrow and Sandhurst, he thereafter joined the army where he met and served with Sir Robert Filmer in Sudan and South Africa. They again briefly served together during World War 1 in the Grenadier Guards and remained firm friends until Filmer's death in 1916.

Churchill Day is on 30th November.

Sir Robert Filmer (1878-1916)

The son of Sir Edmund Filmer MP, 9th Baronet of East Sutton and Lord of the Manor of Leagrave. Sir Robert became the 10th and last Baronet in 1886 at the age of 8. Educated at Eton and Sandhurst, he joined the Grenadier Guards and saw action at the Battles of Omdurman and Khartoum and also fought in the Boer War. Like his friend Winston Churchill, he left the army to follow a political career but rejoined the army at the outbreak of World War 1. He was awarded the Military Cross for gallantry in 1915 and died in battle in January 1916.

Filmer Day is on 25th February

Sir Thomas Keens (1870-1953)

Born in Luton, Thomas Keens was the founder of accountancy firm Keens, Shay Keens and the Luton Chamber of Commerce. Through the Chamber he led a drive to attract new industries to Luton in the late 1890s which transformed the town from a small market town to a major centre of industry and commerce. In 1891 he and other prominent members of the Luton business community banded together to encourage the establishment of King's House Preparatory School.

As a National Liberal politician he was a Luton Alderman and councillor from 1901 to 1952 and became an MP in 1923. He retired from national politics in 1931 and was Chairman of Bedfordshire County Council from 1935 to 1952. Knighted in 1934 for political and public services, his wife, Lady Ella Keens, was also active in local politics and became the first woman Mayor of Luton in 1944. Keens died at the age of 83 in 1953.

Keens Day is on 1st November

The Duke of Windsor (1894-1972)

The eldest son and heir of King George V, Edward became Prince of Wales in 1911. In 1914, after leaving Oxford University, he joined the Grenadier Guards as a junior officer and served on the western front during World War 1. A member of the same regiment as family friends Winston Churchill and Sir Robert Filmer, he too won the Military Cross for gallantry in 1915.

After the war, as Prince of Wales he toured the world on official visits during the 1920s and 30s. On the death of his father in January 1936, he briefly became King Edward VIII before abdicating the throne in December of the same year in order to marry American divorcee Wallis Simpson. The Duke became Governor of the Bahamas during World War II before retiring to France where he died in 1972.

Windsor Day is on 23rd June.

House Captains

Four senior pupils are appointed House Captains on Speech Day. The job of a House

Captain is to take responsibility for the leadership and organization of their House throughout the academic year.

Rewards in the House System

Children have the opportunity to earn House Points to go towards their House totals. Each term the House with the most points wins the House Point Competition. At the end of the academic year the House with the most points overall wins the House Cup. Teachers will also have their own additional and individual reward systems in place for each child's achievement and attainment.

Teachers award House Points for many things, including:

- Good behaviour
- Good standard of work
- Effort and industriousness
- Progress/improvement in work
- Helpfulness
- General attitude

House Points are awarded at three levels:

- 1 House Point
- 2 House Points
- 3 House Points

The class teacher will keep a record of House Points awarded. House Points promote team work and team spirit as well as personal achievement. On a weekly basis the children are made aware of the House Point totals for the week.

HOMEWORK

Homework is an important part of a child's education and can add much to a child's development. One of the aims of our school is for children to develop as independent learners. We believe that homework is one of the main ways in which children can acquire the skill of independent learning. Homework plays a positive role in raising a child's level of attainment. We also acknowledge the important role of play and free time in a child's growth and development. While homework is important, it should not prevent children from taking part in the wide range of out-of-school clubs and organisations that play an important part in the lives of many children.

The aims and objectives of homework are:

- to enable pupils to make maximum progress in their academic and social development.
- to help pupils develop the skills of an independent learner

- to promote a partnership between home and school in supporting each child's learning
- to consolidate and reinforce learning done in school and to allow children to practise skills taught in lessons
- to help children develop good work habits for the future.

Types of Homework

In Reception, homework consists of practising phonics and reading, dependent on ability, followed by the introduction of spellings where appropriate. They also take home a learning log each weekend. In the Lower School we encourage the children to read by giving them books to take home to read with their parents. We also ask Lower School children to learn spellings or mathematical tables as part of their homework. They will generally be asked to complete short tasks at the weekend to support what they have learnt during the week in Mathematics and English. Sometimes we ask children to talk about a topic at home prior to studying it in school. For example in the history topic on toys, we ask children to find out what toys were popular when their grandparents were young and, if possible, to bring examples into school to show the other children. Sometimes we ask children to find and collect things that we then use in science lessons and occasionally we ask children to take home work that they have started in school when we believe that they would benefit from spending further time on it. When we ask children to study a topic or to research a particular subject, we encourage them to use the school and local library and the Internet.

Homework and Reading

As well as homework, time should be spent reading a variety of books both silently and aloud every evening and weekend. We give children a reading record where the teacher, pupil or classroom assistant notes progress, book titles and any homework instructions. Parents should initial this daily, commenting appropriately if required.

Other recommended activities to do at home:-

- Research any topics current being studied in school
- Practise presentation of all homework
- Practise handwriting with all homework

The Role of Parents regarding homework

Parents have a vital role to play in their child's education and homework is an important part of this process. We ask parents to encourage their child to complete the homework tasks that are set. We invite them to help their children as they feel necessary and provide them with the sort of environment that allows children to do their best. Parents can support their child by providing a good working space at home, by enabling their child to visit the library regularly and by discussing the work that their child is doing. We ask parents to check the reading record/ homework record daily and to initial it as requested. If parents have any problems or questions about homework, they should contact the child's class teacher.

ANNUAL SPEECH DAY

The school's first Speech Day was held in May 1924 at the Palace Theatre in Mill Street, Luton, a building like so many other parts of the old town centre, that disappeared in the redevelopment of the 1960s. More recently Speech Day has been held at the Grove Theatre, Dunstable. For the academic year 2020-2021, the event was held at the Union Theatre, Dunstable Conference Centre on Thursday 8th July.

Each year, we invite a Principal Guest Speaker, who presents the awards and prizes to pupils throughout the school. Previous Guest Speakers over the past years have been:

- 2015 Rt Hon Lord Ashton of Hyde
- 2016 Sharon Davies MBE
- 2017 His Excellency Mazen Kamal al-Homoud, Ambassador of Jordan
- 2018 Tim Foster MBE
- 2019 Professor Christopher Anderson MBChB, FCS, SA FRCS
- 2020 Lisa Shah (KHS Alumni)
- 2021 The Mayor of Luton, Councillor Mahmood Hussain

THE KHS PARENTS' ASSOCIATION

All parents are members of the Association. A Parents Council of 15 members is elected every 2 years at the beginning of the academic year through a school wide ballot of parents. Eight members of the Parents' Council form the Association Committee and hold office for 2 years.

The Association supports the provision of information to parents and engages in activities which support and advance the curricular and extra-curricular experience of pupils.

1891 ASSOCIATION & MUSEUM

The 1891 Association was founded as an alumni association for former pupils, parents, staff and associates of the school. At the present time it has a membership stretching back to the late 1950s. The Association is represented on the Board of Trustees who pay close attention to their views on the progress and welfare of the school and its pupils.

Recent re-unions have been held at Luton Hoo and Flitwick Manor. The Association has its own website and newsletter.

A number of photos, exhibits and correspondence have been donated by members of the Association who are assisting in creating a Museum to commemorate the school's 130th Anniversary to be celebrated in 2021.
