Operation Encompass

At KHMET, as part of our Safeguarding processes, we work in partnership with Luton Borough Council and Bedfordshire Police to identify and provide appropriate support to children who have experienced or witnessed domestic abuse within their household; nationally this scheme is called Operation Encompass. Operation Encompass operates in all police forces across England. It helps police and schools work together to provide emotional and practical help to children.

The school environment of consistent provision allows for appropriate safeguarding to be put in place against the short, medium and long-term effects of domestic abuse. Following an incident, children may arrive at school distressed, anxious or upset and Operation Encompass ensures that appropriate staff are aware early enough in order to support children in making them feel safe.
